1548

Designed by  
Atle Tveit, Lars Tornøe

**Bloc recycle** The BLOC recycling bin is available in configurations with two or three compartments, each accommodating 100 litres. You can also opt for a liner, which holds 70 litres. Emptying is easy – simply open the door and remove the bin bag, with no heavy lifting required. This versatile bin can be both freestanding and anchored.

AWARD FOR DESIGN EXCELLENCE

## Anchoring/assembly

Free-standing/mounted to the ground

## Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.
