CODE square module bench

2616

Designed by
Hong Ngo-Aandal, Johan Verde

Code square module bench Code module bench consists of rectangular and angled boxes that can be assembled horizontally and vertically to different furniture formations and landscapes. Armrests are easy to retrofit. CODE Bridge can be used to create tables and spacing elements between the angled boxes.

Anchoring/assembly

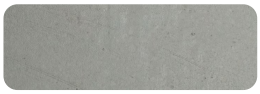

Free-standing/mounted to the ground

Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.

3 mm
