

STOOP bench

2417

Designed by
Julien De Smedt

Stoop bench is an informal, sociable meeting place based on the universal idea of using steps as places for sitting. The shape means that an urban auditorium can be created using several benches, with each bench being able to accommodate up to nine people.

Design patent:

AWARD FOR DESIGN EXCELLENCE

Anchoring/assembly

Free-standing/mounted to the ground

Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.

5 mm
