

# APRIL GO chair, seat and back in powder-coated aluminium

## 7013alu

Designed by

Tore Borgersen, Michael Olofsson, Espen Voll

April go chair, seat and back in powder-coated aluminium is available with or without armrests, and can be stacked and moved as required. Its sturdy construction makes it difficult to knock over and reduces the risk of it being removed by unauthorised persons. The APRIL GO chair can be supplied with a practical storage trolley with space for eight chairs. The APRIL GO lounge chair has a wide, deep seat that provides a reclined, relaxed sitting position, making it perfect for use as a free-standing chair – or together with other products from the series to create cohesive and inviting spaces for both relaxation and conversation in urban environments.

**D<sup>O</sup>G A AWARD**

## Anchoring/assembly

Type alu - Aluminium

## Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.
