7013

Designed by
Tore Borgersen, Michael Olofsson, Espen Voll

April go chair is available with or without armrests, and can be stacked and moved as required. Its sturdy construction makes it difficult to knock over and reduces the risk of it being removed by unauthorised persons. The APRIL GO chair can be supplied with a practical storage trolley with space for eight chairs. The APRIL GO lounge chair has a wide, deep seat that provides a reclined, relaxed sitting position, making it perfect for use as a free-standing chair – or together with other products from the series to create cohesive and inviting spaces for both relaxation and conversation in urban environments.
