

Briskeby seat

6016

Designed by
Andreas Engesvik

Briskeby seat is at three metres, the longest single bench in our collection. Briskeby works brilliantly as a generous and sociable meeting place with room for many. The bench has a timeless Scandinavian look with expansive steel and wooden surfaces and is elegant and comfortable. We are now introducing armrests for improved accessibility and comfort, along with a version without a backrest. The armrests are positioned so that there is a seat on either side. The bench is also available in a shorter version for greater versatility. Seating of linseed oil-treated Nordic pine is standard. The seating surfaces in Accoya can be painted the same colour as the hot-dip galvanized steel. Choose between almost 200 RAL colours.

Anchoring/assembly

Free-standing/mounted to the ground

Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.
