

Price list & technical information

All prices are updated in May 2024, quoted net without sales tax and shipping, and apply to standard designs. Furniture comes with linseed oil-impregnated pine as standard, unless otherwise stated. Prices are subject to change without notice. Vestre accepts no liability for printing errors and omissions. Orders shall only become binding upon confirmation of the order.

For updated prices, please visit vestre.com

The product lists use the following system:

XXX-901: The product is hot-dip galvanized, which produces a grey finish with permanent rust protection.

XXX-900: The product is hot-dip galvanized and then powder-coated in a RAL color of the customer's choice.

XXX-902: The product is made from stainless or acidresistant steel, giving it an elegant metallic finish.

XXX-904: The product is made from aluminium and then powder-coated in a RAL color of the customer's choice.

XXX-XXXA: Anchored by a base plate, which is bolted down.

XXX-XXXB: Anchored by means of wall mounting.

XXX-XXXC: Anchored by means of concreting in (some products have an optional pre-cast concrete base, which carries an extra charge).

XXX-XXXD: Demountable, i.e. the product can be removed temporarily, for instance when clearing snow or for traffic.

XXX-XXXMK: The product comes without legs, for mounting directly on top of a wall.

XXX-XXXP: Seat, back and/or table top in perforated steel.

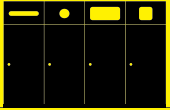

XXX-XXXS: The product swivels (for instance a chair or barstool).

XXX-XXXK: Connection module.

Kg CO2: The product's carbon footprint is provided in kilograms (A1-A3, from raw material to finished product).

MJ: The total energy used in production of the product A1-A3.

* Indicates that we use the environmental impact values from a comparable product.=
