

# TOUR bicycle post

2886A

Designed by  
Hallvard Jakobsen

Tour bicycle post offers good support for two bicycles and can be supplied with a laser-cut design of your choice.

## Anchoring/assembly

Type A - Base plate

## Primary material

Hot-dip galvanised steel

All steel components are hot-dip galvanised, which produces a matt grey surface after a while. We offer a lifetime anti-rust warranty.

15 mm

## Sustainability

| Indicators           | Global warming | Total energy used | Recycled materials |
|----------------------|----------------|-------------------|--------------------|
| Unit                 | kg CO2         | MJ                | %                  |
| Cradle to Gate A1-A3 | 75.13          | 1045.8            | 2.69               |

## Certifications
