

BLOC bar chair

1521

Designed by
Atle Tveit, Lars Tornøe

Bloc bar chair The BLOC bar chair goes perfectly with our BLOC bar table. The seat and backrest are angled slightly to facilitate both forward and backward leaning positions, with an integral footrest providing additional support. The backless bar chair version has a flat seat to provide stability and allows you to sit more freely with foot support on two sides. Can be both freestanding and anchored.
